About the buyer

Our client is an evolved commerce business based in the USA that has been in business for 25 years.

This organisation is known for an all in one offering including point of sale, inventory, ecommerce, SEO, email marketing and graphic design which is all undertaken by their expert in-house team of professionals.

This organisation has over 200 employees internationally with employees in the EU and the UK.

Our client is seeking to expand into the UK and EU markets. Their customers range from small retailers to large chains of businesses.

The focus of the business is software development and bringing the latest technologies to bare.

ACQUISITION SEARCH PROJECT MERCATURA

EPOS BUSINESS ACQUISITION CRITERIA

Minimum Turnover of £500k.

Seeking acquisitions with a deal value of up to £2m.

Profitable and unprofitable businesses will be considered.

SEEKING A UK BASED TEAM OF EPOS PROFESSIONALS

A minimum team of 5 people.

SOFTWARE DEVELOPMENT

Developers who have created solutions for niche verticals are of particular interest.

E.g. Garden Centres, Pet Shops, thrift/buy-trade, Stadiums and Tourist Venues.

HARDWARE RESELLERS

Hardware resellers will also be considered.

The most important aspect our client is seeking is a team of motivated and experienced professionals.

TRANSITION MANAGEMENT

A continuing role will be offered to owners and stakeholders. This is encouraged to manage the transition of ownership and to provide continuity to staff and customers.
